Roadwork in the Mills Phase II: Milling & Paving

Dear Resident,

As our road improvement project progresses, I wanted to update you on the next phase of the project. With the concrete gutter and drainage work underway, we're preparing for the milling and paving of our roads.

The milling and paving of the roads is set to begin the week of June 17th. Our contractor estimates that this phase of the project should be completed by Friday, June 21st.

Please note that any damage to lawns, sprinkler lines, mailboxes, and driveways will be addressed by the contractor. Repairs will be carried out towards the end of the project.

During this time, we kindly ask that you refrain from parking on the street and have your landscapers and contractors park in your driveway, if possible.

If you have any questions or concerns, please contact us by calling 516-627-3701 or by email at clerk@plandomemanor.ny.gov.

Thank you for your patience and cooperation during this project.

Very truly yours,

Katie Hannon
