Dear Resident,

The Village of Plandome Manor, in coordination with the Village of Flower Hill, has contracted Metro Paving to mill and pave Stonytown Road during the week of August 11th, 2025. This joint project will ensure a continuous and seamless repaving of the entire roadway.

The paving work will span from Rockwood Road in front of the Plandome train station, eastbound to Port Washington Boulevard.

While the project is scheduled for the week of August 11th, the exact start date will be confirmed and communicated to residents once finalized. Metro Paving will also provide advance notice of any work that may temporarily affect access to your driveway.

Please note: This work may also temporarily affect access to the Plandome Manor train station parking lot. Traffic reroutes may be necessary during periods of road closure, and residents will be notified of any detours or access changes in the updates that will be sent via email.

During this time, we kindly ask that you refrain from parking on Stonytown Road and advise any landscapers or contractors to park in your driveway.

The Village will send updates via email throughout the project. If you do not currently receive emails from the Village or are unsure whether we have your email address on file, please contact Village Hall at 516-627-3701 or clerk@plandomemanor.ny.gov. Updates will also be posted on our website at www.plandomemanor.ny.gov under the 'Road Work' tab.

Thank you for your patience and cooperation during this time.

Sincerely,

Katie Hannon
